

Castle Hill Infant School

Our Governing Body are a mixed group of people with a common goal to drive improvement in the care and education of the children at this school. We work together to influence change and endeavour to make a real difference to each and every child, their families and to all our staff.

Joining our Governing Body can have benefits for you too such as:

- Working as a valued member of the team
- Building confidence and skills
- Keep up to date with the latest school developments
- Exploring solutions to challenges together
- Using individual strengths to contribute
- Sharing the delight of children's amazing achievements
- Belonging to a team of dedicated, like-minded people
- Training to develop an understanding of specific school management issues, and developing skills in strategic management

We are so inspired by what our children and staff can achieve together; we would like you to be inspired too – would you like to join the Governing Body at our school? If you are interested in knowing more about this challenging and interesting voluntary role, you can go to www.castlehillinfantschool.org and read our governor section web pages. You will need to be willing and able to give between 5 to 10 hours per term to attend meetings and training. Everyone has something to offer and we want people from as many backgrounds and interests as possible.

Right now we have a vacancy for a Co-opted governor – please get in touch with me to have an informal chat about the role to see if you would like to join our hard-working team of volunteers.

Kind regards,
